

MARCH 18, 2020

Every day the Association of Poinciana Villages is monitoring closely the recommendation of the CDC and adjusting the daily operation to meet their guidelines.

Beginning Today March 18, 2020 all buildings that are not essential to the daily operations of the APV will be closed until such time as the CDC lightens their guidelines.

Building that will be closed are as follows:

- Mary Jane Aquatic Center and Gym and concession stand
- Poinciana Community/Victory Pool and concession stand
- The APV Fitness Center and Gymnasium

Anyone with seasonal passes for any of these amenities will have the amount of time that the pools or Fitness Center are closed extended onto the end of their memberships. We apologize for the inconvenience and hope that these closures are short lived.

We will continually keep you advised as to the reopening of these buildings and amenities as the soon as a decision has been made.

Be advised that at this time all other building will be open, and rest assure that the daily operations of the Association of Poinciana will continue. If this should change you will be advised.

The following building will remain open maintaining normal operational duties.

**The Administration Building**

401 Walnut Street, Poinciana

### **The Benny G Community Service Building**

- Community Service Department
- Design Control Board Offices

2190 Marigold Avenue, Poinciana

### **The Public Works Department**

- Public Works
- Parks Department
- Maintenance Department
- Landscaping and Beautification Team

2200 Marigold Avenue, Poinciana

We have sincere hopes that this crisis passes quickly, and that normalcy returns to the community of Poinciana soon. By taking the steps we have taken we feel that we are assisting in making that happen.
